Irwin Fefergrad, BA, BCL, LLB, has the distinction of being the first lawyer in the history of the Law Society of Upper Canada to achieve a double specialty, in civil litigation and in health law, and the first lawyer to achieve a specialty in the practice of health law.

John McMillan, LL.B.

John McMillan is a Toronto corporate and commercial lawyer serving dental professionals. He lectures frequently on a wide range of legal topics affecting dentists and is a regular author for Ontario Dentist and Dental Practice Management.

John brings to his dental clients a broad base of business and legal expertise in the areas of practice purchases and sales, incorporations, professional agreements (associate, cost sharing and partnership), commercial contracts and commercial leasing.

David Chong Yen, CFP, CA

David advises dentists on tax, estate and financial planning, valuations and accounting. He has subsequently completed the CICA In-Depth Tax Courses. His intimate knowledge of the health care profession is enhanced through direct and indirect affiliations with various healthcare businesses. His chartered accounting firm currently serves several hundred dentists and other healthcare professionals.

C.P.R. Night

Yearly CPR renewal is required for all office staff and this course presents an excellent opportunity for members of the dental office to stay current with the new changes in CPR protocol.

A certified instructor with the Heart and Stroke Foundation of Ontario, along with a team of assistant instructors, will review the steps to follow when you encounter a medical emergency in your office. A recertification of CPR for health care providers will be offered as well as the use of an AED for targeted responders.
